

Ladies and Gentlemen,

We would like to invite you to our online edition of QUO VADIS.

At these online events, external speakers and BITZER experts will share their knowledge on opportunities and solutions in industrial and commercial refrigeration as well as air conditioning technology. You can also look forward to information on the challenges and opportunities of heat pumps, refrigeration circuits, natural refrigerants and system configuration. Additionally, we will talk about state subsidy programmes and BITZER education and training opportunities.
